**Re: 2020 Policyholder Surcharges – “Workers Compensation”,
“Automobile/Homeowners” and “All Other” Categories**

Dear Member Insurer:

In accordance with this Association’s Plan of Operation, please consider this letter as notification that there were no “workers compensation”, “automobile/homeowners” or “all other” category premium charges during 2019. In 2019, the California Insurance Guarantee Association’s Board of Governors elected not to declare an assessment for the “workers compensation”, “automobile/homeowners” or “all other” lines of business. This is the same as the previous year.

Therefore, member insurers **should not surcharge** policies written in the “workers compensation”, “automobile/homeowners” and “all other” categories with effective dates of January 1, 2020 through December 31, 2020.
