

CALIFORNIA INSURANCE GUARANTEE ASSOCIATION

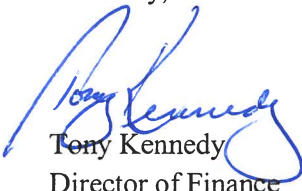

May 16, 2018

Dear Member Insurer:

In 2018, the California Insurance Guarantee Association's Board of Governors elected not to declare an assessment for the workers compensation line of business. The California Insurance Guarantee Association will only be collecting or refunding adjusted premium charges and excess recoupment.

If you have any questions, you may contact Elizabeth Hunter at (818) 844-2414.

Sincerely,

Tony Kennedy
Director of Finance
