Re: 2021 Policyholder Surcharges – “Workers Compensation”, “Automobile/Homeowners” and “All Other” Categories

Dear Member Insurer:

In accordance with this Association’s Plan of Operation, please consider this letter as notification that there were no “workers compensation”, “automobile/homeowners” or “all other” category premium charges during 2020. In 2020, the California Insurance Guarantee Association’s Board of Governors elected not to declare an assessment for the “workers compensation”, “automobile/homeowners” or “all other” lines of business. This is the same as the previous year.

Therefore, member insurers **should not surcharge** policies written in the “workers compensation”, “automobile/homeowners” and “all other” categories with effective dates of January 1, 2021 through December 31, 2021.

If you have any questions, you may contact Tony Kennedy at kennedyt@caiga.org.

Sincerely,

Brad Roeber
Executive Director
