Re: Report of Recoupment Collected – 2017

Dear Member Insurer,

Section 1063.14 of the California Insurance Code requires each member company to recoup policy surcharges and remit to the Association any excess recoupment of premiums paid. To enable your company to comply with the statute please complete the enclosed Report of Recoupment Collected – 2017.

Member insurers who collect surcharges in excess of premiums paid shall remit the excess to the association as an additional premium. The Association will determine the amount of your company's excess recoupment and invoice you at a later date. The excess shall be applied to reduce future premium charges in the appropriate category.

Please complete the enclosed report and submit to the Association by no later than March 28, 2018. If you have any questions please feel free to call Elizabeth Hunter at (818) 844-2414 or Tony Kennedy (818) 844-4300 extension 105. Your cooperation is appreciated.

Sincerely,

Wayne D. Wilson
